*Excerpt from September Newsletter...
 ...we average around 75 in worship*

What a difference a month makes!!!! We added two new members and we had **15 first time guest families or individuals for the month. Numbers are not the means... growth comes from exposure to the Gospel and (for a particular body) the exposure to the church. The outgrowth from this months exposure equated to about a 20% growth in our tithes (\$9,000) and worship attendance (90 or so on avg.) as well as ministry areas namely our children's ministry. This area of our church is exploding. Our nursery through 6 grade has seen tremendous growth. If you are looking for a place to plug into ministry contact Wendy Harrison 706 769 0895 or Kim Stewart 706 208 8982.**

As October arrives we have mixed emotions as John Haley leaves us for a more full time ministry opportunity. Yet, we are excited at the addition of Jon Graham beginning October 7th. I am really looking forward to the future and what God has in store for CP.

Jon Graham Info

Jon Graham currently serves full time with the Georgia Baptist Convention in the area of Audio/Visual ministries. He has served in a church plant previously as well as the Worship Leader at First Baptist of Bethlehem for a 5+ year

period. Welcome aboard Jon!!

CP Fall Festival

October 21st

This is a family fun experience following worship celebrating the change of season. We are going to have games and food in a more walk around atmosphere. It's not going to be a sit down type meal like our anniversary, but more of an eat as you go and play!!! **We will provide the food and the play and you invite the people!!**

Lane Creek Outreach

October 28th

Our philosophy is to take ministry to the people and not to wait for them to just "show up" at church. One of the unique opportunities we had last year was to participate in Lane Creek's Fall Festival. We were invited back again this year!!! What we do is supply an inflatable (a CP essential) and goody bags for the children. They allowed us to put information about the church with the bags as well we were able to meet and talk about CP to approximately 80 or so families.

What we need for this to work is your help collecting candy for the bags (just bring it to church), help stuffing and preparing the bags (we will let you know the time later), and people to help man the inflatable on the 28th (6-8 would be great).

Let me know how you can help!!
