

Dear Family/friends,

For I am not ashamed of the gospel of Christ, for it is the POWER of God to salvation for EVERYONE who believes, for the Jew (elect) and also for the Greek (gentile)-Romans 1:16

Once again, we would like to express our sincere thanks to you for standing with us in prayers, encouragements and financial support for these past months. We trust that our update will reach you in good health. May God richly bless you.

MINISTRY HIGHLIGHT

It is hard to believe again that summer is quickly drawing to a close. We have experienced awesome things during this summer months together as a family and also in the ministry of our Lord Jesus Christ.

Great things have happened in the lives of our Kids in Monroe, Social Circle and Loganville as we served sack lunches to these kids in our communities through Fish4kids program. *Fish4kids is after school summer program, which started May 29th and ended July 27th, 2007 from Monday to Friday. Each day we served almost 2000 sack lunches to the Kids in the above communities.*

We were able to use this opportunity to reach-out to the people in those various communities, meeting new friends, the Kids parents, praying for them, and encouraging them with their walk with the Lord. The kids were fed, encouraged by our love and hospitality.

As a result, the Kids were able to stay out of trouble as they wait for their food(sack lunch) each day. What an awesome opportunity we have to bring the love of Christ to the Kids in our community for such a time as this:

We ended our Fish4kids program in Loganville(ALEXANDER CROSSING APT) with Bible Study, Prayer and a lot of fun activities, and each child went home with a bag of

school supply. Simply, we had a blast this summer!

Thank you so much for those of you who volunteered to serve the community this summer. You guys are awesome and wonderful! Please start praying now that you will be a "hand and feet" of Jesus next year summer to be able to serve the kids in the community.

WALTON COUNTY JAIL PROGRAM:

We have resumed our meeting now from our one month summer break, since we resume from the summer break, most of the kids are doing well. Some got into trouble during the summer break and has been place in jail custody as a result. Please keep praying for the 22 teenage boys we have now for the program. Ask the Lord to do incredible work in their lives. HE is able...oh taste and see that the Lord is good.
